- 28 2. Record of President Warren Jeffs, dated September 1, 2004, pp. 6-8, which
includes the following passages:

“This is an official Trustees meeting of the United Effort Plan Trust.”

“And I present the issue that the Lord has directed me in these present
lawsuits to answer the courts and the apostates and our enemies answer
them nothing and that I have told Sam Barlow to dismiss our lawyers from
these cases and we are answering the courts nothing because to give an

3. Record of President Warren Jeffs, dated December 25, 2003, p. 251, which includes the passage:

“William Jessop had turned over \$76,000 of moneys used to develop the sewer system in Short Creek and the building of more houses to us in our efforts. I had told him there will be no more new housing.”

4. Record of President Warren Jeffs, dated July 2, 2004, p. 22, which includes the passage:

“The Lord will have me do more marriages of very young girls. This will make the government rage and come against us stronger than ever.”

5. Record of President Warren Jeffs, dated November 24, 2003, p. 163, which includes the passage:

“And I will teach the young people that there is no such thing as an underage Priesthood marriage but that it is a protection for them if they will look at it right and seek unto the Lord for a testimony. The Lord will have me do this, get more young girls married, not only as a test to the parents, but also to test this people to see if they will give the Prophet up.”

6. Record of President Warren Jeffs, dated November 26, 2003, p. 179, which includes the passage:

“But I showed him the tests coming upon this people as the government would come against me. Then I revealed to Wendell that the Lord wanted me to receive this thirteen-year-old bride and also for her deliverance as well as the Lord allowing this to be a reason in the government's eyes to come stronger against this people. I explained the principle of the Lord cutting short His work in righteousness by me performing these works that would bring the wicked against us to justify the Lord in destroying them, at a quicker pace.”

7. Record of President Warren Jeffs, dated January 16, 2003, p. 101, which includes the passage:

“They want something from the leadership of the Church. I told Uncle Sam that I will stand firm. There will be no compromise. I do not even want to imply a compromise. I said the instructions of the Lord are, "Leave it in the Lord's hands. There will be no compromise.”

8. Record of President Warren Jeffs, dated January 10, 2005, p. 9, which includes the passage:

1
2 “We are fulfilling the directive of the Lord that the Priesthood people will
3 be driven from Short Creek. The court is expected to rule a default

13 They have already turned against me personally in their feelings. They
14 wanted LeRoy or I to sign a document that would make us a liar, dating

43 “I then asked Lyle for a report on the court hearing of August 4th ,
44 yesterday. I summarize this report here. Lyle told me that the woman
45 judge only listened to the receiver, the man named Wisan, who is suppose
46 to watch over the UEP interest. This was suppose to be a hearing where
47 many people ask to be trustees of the United Effort Plan, but this man
48 named Weisen, and his lawyer firm told the court that none of the
49 followers of Warren Jeffs in the FLDS Church would respond, and they
50 were not represented by these proposed trustees. And he told the court that
51 all these proposed trustees had the purpose as their motive to destroy the
52 trust, and here he was appointed to protect the trust. The court gave him
53 greater powers to defend the trust against the "Lost Boys" lawsuit. And he
54 was appointed to determine the assets of the trust. Thus far, none of the

1 trustees or people who are suppose to be called the household of faith have
2 come forth to assist this man in his supposed duties.”

- 3 13. Record of President Warren Jeffs, dated August 8, 2005, p. 424, which
4 includes the passage:

5 “And I told the Bishop, William E. Jessop, to call David Zitting, who is
6 the mayor of Hildale, Utah. And I told him to call the other members of
7 the city council who are part of Priesthood, and give them the Lord's
8 warning that they must not allow the evils and corruptions of the world,
9 the evil businesses among our people legally, and they would rather be
10 dismissed or resign than to give way and allow evil among our people.
11 Brother William Jessop said he would do so.”

- 12 14. Record of President Warren Jeffs, dated July 28, 2005, pp. 394-397, which
13 includes the passages:

14 “The Bishop informed me yesterday, and updated me today, about an
15 event which took place Sunday, where Marvin Wyler, an apostate, tried to
16 take over a house, next to him, on the UEP land the bishop, William
17 Jessop, had Lyle gather twenty or more men, it ended up about forty men,
18 and they had prayer circle and then they stood firm that they would not
19 surrender UEP houses. The courts have not assigned new trustees. The
20 apostates backed off, withdrew their things that they had stored in this
21 house, and the bishop put someone else in the house. “

22 “I told the bishop that when the new trustees are appointed and the courts
23 enforce their order, that we are not going to fight, and he understood, and
24 these brethren did not fight on Sunday, but they stood firm, and showed
25 that they would stand with the Priesthood.”

- 26 15. Letter from Warren Jeffs to Wendell Nielson and Merrill Jessop, dated April
27 29, 2007, pp. 1-4, and which includes the following passage:

28 “I ask for your forgiveness for any distress I caused you, and the Lord has
very directly corrected me and directed me to stand in my place and office
and calling and uphold Him, Priesthood, and Celestial laws, and all the
revelations and judgments and will of God, of our Lord and Savior.”

16. Record of President Warren Jeffs, dated January 15, 2005, p. 15, which
includes the passage:

“The Lord has shown me this is the fine-tune test now. The government,
the courts will offer our people to make any claims on UEP lands and
houses. The Lord has shown me that if anybody steps forth to claim those
lands and houses that belong to the Lord, they are thieves and they will

17. Handwritten notes (WSJ), dated November 9, 2007, p. 2, and referencing Lyle Jeffs and Willie Jessop, Glade’s son.

18. Typed notes of Warren Jeffs, dated November 9, 2007, pp. 1-2, which contains the passage:

“The Lord wants Lyle Jeffs to have Willie Jessop, Glade's son, head up a coalition of saints, and write the judge in the UEP Case, each demanding to have their rights protected concerning their homes. This will make it so the Priesthood is answering them nothing, but at the same time individuals are demanding their rights of protection.”

19. Record of President Warren Jeffs, dated June 24, 2006, p. 404, which contains the passage:

“And the judge is coming after the Harker Farms now, when the Harker Farms is not even part of the UEP.”

Your appearance and testimony are not required if records are transmitted as indicated above.
